

Special 5th anniversary offer:
For all cars up to 2000cc the entry fee is only 4950EUR*

Special 5th anniversary offer: Entry fee only 4950EUR* for all cars up to 2000cc

Initially we are happy to announce that we were able to keep the normal entry fee the same as last year (6950EUR* including transport of the car). However, for all midrange cars up to 2000cc we make it even more attractive with a special offer. The entry fee for cars up to 2000cc is only 4950EUR* (Including transport) at a special condition. Normally it is impossible to give such a big reduction. However with the help of the teams in regards to a special transport condition we are happy to encourage those teams with cars up to 2000cc. This offer is valid for all Petrol/Diesel cars up to 2000cc. Turbo will not count. For instance a Seat Supercopa (1800cc) **with Turbo** can also make use of this offer.

Transport condition to make use of this special offer for cars up to 2000cc:

The concept works as follows: Teams have to load 3 cars per container and the equipment can be loaded on special floor that is build above the cars. To place 3 cars into a 40ft (12meter) container, some cars have to disable the front and/or rear bumper to fit. For a limited number of cars it can be necessary to load the cars skew on a ramp to fit 3 in a 12meter container. However, for example, 3 Renault Clios fit in to the container without any disassembly at all. In case the space on the special floor above the cars is too limited to load all equipment, teams can buy extra space (in to other containers) at very reasonable costs.

3 Cars in 40ft container

Pre-register now and secure your entry for the 5th Anniversary of the 24h Dubai 2010
